CC Docket No. 02-33

Sacred Heart Telephone Company (the "Company") hereby provides notice that it intends to cease offering wireline broadband Internet access transmission service on a tariffed basis. Effective January 1, 2017, the Company will begin offering wireline broadband Internet access transmission service on a Title II, common-carriage, permissive de-tariffed basis pursuant to paragraphs 90 and 94 of the Commission's Wireline Broadband Order.¹ The geographic areas affected by this notice are Sacred Heart Telephone Company's exchanges where wireline broadband access transmission services are technically feasible.

As stated in the attached customer notice, Sacred Heart Telephone Company will continue to offer existing ISP customers wireline broadband Internet access transmission service pursuant to current terms and conditions until the end of their current term or upon replacement with a Broadband commercial agreement. Sacred Heart Telephone Company's rates, terms and conditions for its permissively de-tariffed wireline broadband access transmission service will be available at its office located at 1104 19th Avenue SW, Suite B, Willmar, MN 56201 and on its website at www.hcinet.net/sacredheart.

This letter is to inform you that Sacred Heart Telephone Company will no longer offer such DSL transmission services pursuant to Tariff effective January 1, 2017. The actions described above are taken in accordance with the FCC's Report and Order (FCC 05-150) released September 23, 2005 in Docket No. 02-33. In the order, the FCC determined that facilities-based wireline broadband service providers could offer their services on a common-carrier, permissively de-tariffed basis.
